The Victory buffet is our most popular choice for those hosting a post service reception honouring a loved one. We can, however, offer a fully bespoke menu if there is something special you would like. We have provided everything from a delicate afternoon tea to smoked salmon and caviar canapes with champagne, because 'that's what Mum loved' and can offer our experience of many such receptions to help you choose the most suitable food and beverage option for your guests.

We have a full bar facility available or can provide a table in your reception room serving guests wine, pimm's, tea and coffee or your preferred drinks.
