Room Hire and Equipment

Cost of room hire is £75

This is usually taken as a deposit to secure your day.

We also have some equipment you are entitled to use:

Artist Easles: if you would like to create any photo memory boards these are great for displaying them on around the room.

Screen and Projector: If you want to create a slideshow or video, we can play it on to our large screen at the back of the room.

Sound system: You can create your own playlist or we can play a favoured genre of music for you.

If you require a different style of catering we would be happy to discuss this further and create you a bespoke menu, we can cater for canape, bowl food or even knife and fork buffet lunches
