BOOKING INFORMATION

In order to secure your booking, we require the following:

- £50 non-refundable room hire fee.
- £500 minimum spend.
- £250 upfront, this can be used towards your minimum spend on the day of your event.
- The minimum spend can be reached by either food, drinks or a combination of both.

*Please note that room hire fees and holding deposits should be transferred to our accounts team, so we require an email address for invoicing purposes.

Catering options:

- Buffet Platters (see menu on the following page *If ordering the buffet menu, we recommend that you cater for half of the number of your guest (based on previous experience with party functions, guests who are drinking, dancing and chatting tend not to eat full meals)
- Our regular food menu will also be available for you and your guests to order a la carte.

*Please provide us with a time that you would like to have your food served for, no later than a week before your function.

Services:

- Function room holds 50 people comfortably with seating and standing.
- Room layout options are flexible. You can choose between lounge style or formal sit-down tables.
- We have table cloths, linen napkins and centre pieces available for those extra special functions. (Please specify that you'd like this option when booking).
- Please specify that you'd like this option when booking.
- We have speakers, aux lead and a tablet. (We can play a Spotify playlist on our device, or you can provide a device and any necessary adaptors for your own devices.)
- We have a TV that can be used for any kind of presentation or visual display using your device via HDMI or a USB Stick you provide.
- There is a small, private terrace, which can be used as a smoking area.
- There are four taps upstairs, along with a range of wines and spirits. You're also free to order from our main bar. (Anything order from our main bar will still be counted towards your minimum spend)
- We can provide drinks on arrival if you wish to have prosecco or similar served to you. (Please specify if you require this service)
