## Funeral Reception

### Introduction

Coming to terms with the loss of a loved one is an emotional time and often you have to arrange a Funeral Reception at very short notice.

We will ensure your Funeral Reception runs as smoothly as possible so that you can remember your loved one, rather than worrying about anything else.

Our understanding and friendly team at The Wood Norton are on hand to take away some of the stress and strain of organising the Reception.

The Wood Norton is one of the closest venues to The Vale Crematorium, just over a mile in distance.

### We are here to help

Our Duty Manager will greet you and your guests upon arrival and direct you to your private area.

Our Team will look after you and stay on hand for any other requirements you may have.

The Wood Norton has direct access for disabled and elderly guests and ample car parking.

Our team can offer a range of different options for your Funeral Reception.

### The Main Hall

Our Boardroom, Terrace & Bredon Lounges all perfectly connect together for an intimate Reception area, with the addition of also linking into our Fleur de Lys Restaurant for larger gatherings.

Our private options are in traditional wood panelled surroundings, with access available to both The Hall Bar and our Grounds.

### The Orangery

The Orangery sits overlooking the Main Hall and is independent to the main house. A stunning glass frontage provides panoramic views over Bredon Hill and the Worcestershire Countryside.

For a Reception The Orangery can accommodate up to 150 guests. It has its own private terrace and gardens, plenty of natural daylight, air conditioning and its own bar area.

We would be delighted to work with you, your family or your Funeral Home to make the necessary arrangements that fit you as a family.

The Wood Norton has facilities to personalise your Funeral Reception for you, such as use of presentation facilities for photo's, so you can show images of your loved ones, please discuss options with our Team
